Facts About Indigestion and Its Relief That Should Interest You.

Although indigestion and dyspepsia are so prevalent, most people do not thoroughly understand their cause and cure. There is no reason why most people should not eat anything they desire—if they will only chew it carefully and thoroughly. Many actually starve themselves into sickness through fear of eating every good-looking, good-smelling, and good-tasting food, because it does not agree with them.

The best thing to do is to fit yourself to digest any good food.

We believe we can relieve dyspepsia. We are so confident of this fact that we guarantee and promise to supply the medicine free of all cost to every one who will use it, who is not perfectly satisfied with the results which it produces. We exact no promises, and put no one under any obligation whatever. Surely, nothing could be fairer. We are located right here and our reputation should be sufficient assurance of the genuineness of our offer.

We want every one troubled with indigestion or dyspepsia in any form to come to our store and buy a box of Rexall Dyspepsia Tablets. Take them home and give them a reasonable trial, according to directions. Then, if not satisfied, come to us and get your money back. They are very pleasant to take; they aid to soothe the irritable stomach, to strengthen and invigorate the digestive organs, and to promote a healthy and natural bowel action, thus leading to perfect and healthy digestion and assimilation.

A 25c. package of Rexall Dyspepsia Tablets furnishes 15 days' treatment. In ordinary cases, this is sufficient to produce a cure. In more chronic cases, a longer treatment, of course, is necessary, and depends upon the severity of the trouble. For such cases, we have two larger sizes which sell for 50c. and \$1.00. Remember, you can obtain Rexall Remedies in this community only at our store—The Rexall Store.

On March 10 we were called on to attend the funeral of sister Maggie Sliger. She was about 25 years old when she died, she had been married only a few years, but death which respects neither age nor condition came to her on Sunday March 10. She leaves a husband and one child besides a mother, father, brothers and sisters. She was a devoted, loving wife, a tender hearted affectionate mother. She leaves a home desolate and her family in tears, because her voice and light footfalls are heard no more about the home in which she shed sunshine and happiness, her memory will linger in the hearts of those who knew and loved her. May the husband be spared to rear and train the little child in the way in which she should live so as to meet her mother in a better land.

Ada Okla.

I came to this place Monday and am going to school. I find the faculty all very kind, and like the line of work splendidly.

There are lots of Tennessee people in and around here but I have not had the pleasure of meeting any I knew back in Putnam county. If there be any I hope they may show up in the near future.

I know Mr. Tobe Howard and boys, if any of you take this paper I would like very much to see you.

Ada is a progressive little city of about 6,000 people and health should be good. The elevation is about 1,100 feet, I have been told. A. T. Watson.
